

Cactus Control Workshop at Eldorado March 26

Description

cactus control workshop

We are fortunate to have presenters from the Tarrengower Cactus Control Group and the afternoon will consist of a brief talk about Opuntia cactus followed by a field demonstration on control techniques.

Could you please distribute the attached flyer around your group. We request RSVPs for catering by calling [0448983109](tel:0448983109) or online at <https://goo.gl/forms/HDL0iu3pWaPn3tH62>
