

**How did
that rock get there?**

*Do you know what ironbark trees and gold
mining have in common?*

Are you curious about our landscape?

Come to a talk by **Neville Rosengren**, a geomorphologist and landscape expert, to find out more.

This non-technical talk will describe the geologic features of the Chiltern area and our landscape history.

When: Friday 2 October 7-9pm, followed by tea/coffee & dessert

Where: Senior Citizens Centre, Conness St, Chiltern

What else: On Sunday 4 October, Neville will lead a field trip to explore some of the geological features of our landscape. More details will be provided at the Friday event.

RSVPs for catering & further information: Please contact Jane Kocis on 0429 497 600

This is a free event, part of Chiltern's Living Landscapes program, sponsored by Chiltern Landcare Group
